

Joining a Species Group

How to Join HARRN

To join Hampshire Amphibian and Reptile Recording Network (HMG), please e-mail feedback@hiwwt.org.uk with "HARRN" in the subject box, and you will be joined to the HARRN mailing list. You will then receive e-mails about recording and surveys.

The funding needed to run our two other Species Groups comes from grants, donations and membership subscriptions. To join Hampshire Flora Group (HFG) or Hampshire Mammal Group (HMG) you need to be a member of the Hampshire & Isle of Wight Wildlife Trust.

How to Join to HMG and HFG

If you are already a member you just need to e-mail membership@hiwwt.org.uk with your name and membership number to let us know which group/s you would like to join. You will then receive, e-mails, newsletters and event details, such as walks, talks, training and surveys, and be invited to each group's AGM and open days.

If you are not a member of the Trust, please join! Visit <http://www.hiwwt.org.uk/become-member> to join from only £3.50 a month. Not only will you be able to join HFG and HMG but you will also receive the benefits of being a member of Hampshire & Isle of Wight Wildlife Trust such as the Trust magazine and reserve guide.

Once you have become a member, follow the steps above to join HMG and HFG.
